About Us

M2 LOGISTICS is a leading, non-asset-based logistics company providing quality transportation and logistics services to shippers throughout the United States, Canada, and Mexico. We have been recognized by Entrepreneur Magazine and PricewaterhouseCoopers in their Hot 100 Fastest Growing Businesses in America.

M2 LOGISTICS prides itself by developing strong relationships with shippers and carriers thus providing increased freight/equipment options and greater flexibility with your transportation needs.

As a non-asset-based transportation provider, we focus on seeking solutions that work for our customers' needs rather than our own equipment. We utilize thousands of carriers which provides greater flexibility when solving freight needs. As a result, we will suggest the best multimodal option that achieves your service expectation.

Our culture is built on customer-driven solutions with honesty and integrity in everything we do. Our best practices approach assures consistency and quality in every transaction with a small company personal touch.

Today and everyday, **M2 LOGISTICS** wants to be *Your First Choice in Transportation*.

Sales/Operations

Strategically located sales/operations offices, directing freight movement between shippers and carriers throughout North America.
